

Summer Reading Assignment – Advanced English I
Mrs. Nohrenberg
Spring/Summer 2023

Students need to obtain a copy of their summer reading text - *A Separate Peace* by John Knowles.

In assigning summer reading, I have two purposes. I want to expose students to suggested AP pieces of literature over the summer months. I am a proponent of reading something fun, but I also feel it is important to expose students to something more challenging.

I expect students to read the novel during the summer. Students should take notes, discuss the novel with others, and plan time to re-read sections of the novel (or the entire novel). A test will be taken over the novel in the first week of classes in the fall semester.

If you have any concerns, comments, or questions concerning the summer reading for Advanced English I, please contact me at hnohrenberg@ogknights.org.

Sincerely,

Heather Nohrenberg
